

I hope you and your gardens have survived this challenging summer. It was good to see Larry and Mary join us on the coach trip and know that Larry's health has stabilised.

You will be aware that with Larry and Mary standing down from the committee, we currently have no one in the position of chairman for the club. The Committee has, for now, divided the roles up between them with Leonie continuing to do a great job with programme planning. I will cover the admin and, with Lesley, the committee meetings, and Wendy has taken on editing our newsletter, with other members of the committee taking the lead at our meetings.

All banks are now charging community accounts on all transactions, including ours.

Members often comment on why we don't accept online payments. The club account is not set up for online banking, so now is the time for someone to come forward and help set up and run our online banking, along with our treasurer, Cathy.

With over 100 members, it is vital that more come forward to help with running the club if you wish it to continue.

If you think you could help the committee in any way and have computer experience, please get in touch with any member of the committee to discuss what is involved.

We look forward to seeing you all again at our next meeting in September. To advertise this, you can download a poster for this meeting from the website at 'Posters'.

Committee.
