

# **Black Pear Gardening Club Meeting 2026**

**Saturday 17th October - 2.30pm at Powick Parish Hall**

---

## **Medicinal Herbs in the Garden**

**A presentation by  
Caroline Sheldrick**

As a qualified medicinal herbalist Caroline inspires gardeners to identify, grow and use medicinal herbs in remedies and offers advice on planting and propagation.

She will advise which common garden plants are used in herbal medicine and which ones to avoid.

Some of the traditional uses of favourite garden flowers may surprise you.
